MEMORANDUM FOR: Director of Central Intelligence

FROM: Charles A. Briggs
Director, Office of Legislative Liaison

SUBJECT: Weekly Report

Items of Interest1. FOIA

On 28 September the Senate passed by unanimous consent our FOIA Bill. The President now has it for signature.

25X1

3. Beirut Bombing

On 2 October the HPSCI held a formal hearing on the Beirut bombing. Agency, State and DIA witnesses testified. On 3 October the Committee sent a report to the Speaker stating that there had been no intelligence failure prior to the bombing but that State Department had failed to heed intelligence warnings.

4. Continuing Resolution

As of Friday morning conferees are meeting to resolve differences in the House and Senate versions of the Continuing Resolution which will authorize and appropriate funds for FY 1985.

25X1

The anti-crime items all appear to be in good shape from our view. Computer fraud and credit card fraud are included in the CR, and we are

DCI WEEKLY

OFFICE OF PUBLIC AFFAIRS

The Seattle Rotary Club reported that your speech at their lunch meeting was very well received. They really enjoyed it. The Los Angeles World Affairs Council reported there were 800 in the audience to hear your talk. The Council said the evening was a success and the members of the audience were most complimentary concerning your presentation. Press coverage was also reported to be positive.

Tony Day and Bob Toth told me that they greatly appreciated your having lunch with the editorial board of the LOS ANGELES TIMES and they thought the give and take there was most useful. They certainly did seem to appreciate it.

25X1

Academic and Presentations

In response to a request by the Vice President of the Economics Honor Society of the University of Houston for an Agency speaker to talk about job opportunities for economists, [] the Academic Coordinator, arranged for two DI economists to visit the university this week in connection with the DI recruitment drive. The DI economists reported back that the visit was very successful and there are three likely looking prospects for Agency employment who evinced interest in same.
